Hyakko Chapter 10

A good neighborhood tiger

RAWS: c_k Translator: cenc

Proofreader: cenc + muge Editor: muge

muge:

Here's Chapter 10, after much delay.

Well, since I joined FoOlRulez, I barely had time to do this kinda stuff. cenc finally decided to put his name and take some credit on his own, cos he's bad he's running out of free time to [illegible] as well >_> We're only Volume 2, so [illegible] fagsad about the latest chapter. Also, new site + DDL for this chapter [illegible].

cenc:

Well, if anyone wants to do [illegible] we could totally release this faster. Sorta blame muge for procrastinating. This chapter was shorter than the rest, but still took like 4 months to completely finish.
